PART A: MOTIVATION REPORT

a) INTRODUCTION

1. Background

The Montague Gardens Marconi Beam Improvement District (MMID) was established in 2017 to serve the Montague Gardens-Marconi Beam industrial and commercial area. Through the CID model, property owners fund supplementary services within a defined area. These services add to those provided by the City of Cape Town and do not replace normal municipal services.

Since its establishment, the MMID has grown into an established operational partner in the area. Its work includes public safety, cleansing, urban management, environmental development, social development and communication. The MMID works closely with the City of Cape Town, SAPS and other stakeholders to deal with day-to-day challenges and help keep the area safe, clean and well maintained.

This Business Plan supports the application to extend the MMID term for the period 1 July 2027 to 30 June 2032. It builds on the services and progress achieved during the current term while allowing sufficient flexibility for the MMID to respond to changing operational needs, statutory requirements and opportunities over the next five years.

The MMID covers one of Cape Town's significant industrial and commercial areas, with businesses ranging from

manufacturing and logistics to warehousing, petroleum, retail and other commercial activities. The area is an important employment and investment hub. Keeping it safe, clean and well managed supports business confidence and helps protect the long-term value and competitiveness of the district.

2. Name of the City Improvement District

Montague Gardens Marconi Beam Improvement District NPC (MMID).

3. Applicants Name and Business District

Applicant: Montague Gardens Marconi Beam Improvement District NPC
Registration number: 2017/285116/08
Physical address: Unit 3, 4 Platinum Close, Platinum Crescent, Marconi Beam, Milnerton
Website: www.mmid.org.za

4. The Geographical Area of MMID

The MMID is situated in the Milnerton area of the City of Cape Town and covers the established industrial and commercial areas of Montague Gardens and Marconi Beam. The district includes a broad mix of industrial, manufacturing, warehousing, logistics, petroleum, commercial and retail activities and is well positioned in relation to major metropolitan transport routes.
The MMID operates across a large road network and public environment. The official geographic boundary for the 2027-2032 extension application is reflected in the City of Cape Town Corporate GIS map dated 12 June 2026.

City Improvement District

5. The Vision, mission and goals for the MMID

Vision

To create and sustain a safe, clean, functional and attractive commercial and industrial district that enables economic growth and delivers lasting value to property owners, businesses and the broader community.

Mission

To protect and enhance the value of the district through excellence in urban management by delivering supplementary public safety, maintenance and cleaning, environmental development, and social and economic development initiatives in collaboration with stakeholders and partners.

Goals for 2027-2032

- Maintain and enhance a visible, responsive and technology-supported public safety service throughout the district.
- Maintain high standards of cleansing and urban management across the MMID public environment.
- Continue to improve public spaces through practical, sustainable environmental and infrastructure enhancement initiatives.
- Support appropriate social-development initiatives and constructive partnerships that contribute to a safer and more resilient community.
- Maintain transparent, accountable and financially responsible governance.
- Strengthen stakeholder communication and collaborative working relationships.

• Maintain flexibility to identify and implement appropriate projects during the five-year term, subject to need, affordability and all required City approvals.

6. The MMID's strategic objectives for the 2027-2032 term:

6.1. Improving public safety through 24/7 vehicle patrols, CCTV surveillance, dedicated Law Enforcement support, incident coordination and partnerships with SAPS, the City of Cape Town and other relevant safety stakeholders.

6.2. Maintaining and cleansing public areas through supplementary road, sidewalk, verge and public-space cleaning, attention to litter and illegal dumping, and reporting and follow-up of infrastructure defects.

6.3. Environmental development through the maintenance and enhancement of landscaped areas, verges and public spaces, together with suitable greening and public-realm projects subject to required approvals.

6.4. Promoting social and economic development through targeted community partnerships and social initiatives while maintaining a business-friendly environment that supports investment, employment and sustainable economic activity.

7. Core Values

The MMID's core values are transparency, accountability, performance, social development and sustainability.

Transparency: promoted through open stakeholder communication, publication of relevant governance information and statutory meetings.
Accountability: achieved through responsible use of additional-rate revenue, financial oversight, audited reporting and performance monitoring.
Performance: maintained through active management of services, service-provider oversight, operational reporting and continuous improvement.
Social Development: pursued through appropriate initiatives and partnerships that uplift vulnerable people and strengthen the surrounding community.
Sustainability: supported by practical, maintainable projects and by balancing economic, social and environmental considerations in decision-making.

b) PROPOSED SERVICES AND PROJECTS

8. Overview of Planned Services

During the 2027-2032 term, the MMID will continue providing supplementary services in Public Safety, Maintenance and Cleansing, Environmental Development, Social and Economic Development, and Communications. These core services will continue throughout the term. Projects and upgrades will be considered

as needs arise, taking into account the available budget, operational priorities, stakeholder input and any approvals required from the City or other authorities.

The MMID does not want to commit the district to projects that may no longer be suitable or possible several years from now. Possible work may include further CCTV coverage, fencing or protective measures in suitable public areas, improvements to entrances and landscaped spaces, selected sidewalk or public-space upgrades, and the completion or extension of existing greening projects. Any project will only proceed once feasibility, wayleaves, relevant approvals, procurement requirements and available funding have been considered.

(i) Improving Public Safety

9. The Public Safety Plan

Public Safety will remain one of the MMID's main priorities. The aim is to maintain a visible and responsive presence across the district, deter crime and unlawful activity, assist businesses and members of the public when incidents occur, and work closely with the relevant law-enforcement agencies.

The MMID will maintain three dedicated outsourced patrol officers operating in three patrol vehicles on a 24-hour, seven-day-a-week basis. The district is divided into operational sectors to promote visibility, coverage and effective response times.

The MMID will continue to fund one dedicated City of Cape Town Law Enforcement Officer from Monday to

Friday. The Law Enforcement Officer is accompanied within the district by the MMID Public Safety Co-ordinator, enabling targeted enforcement, follow-up of by-law matters and coordinated responses to recurring problem areas.

CCTV surveillance will remain an important component of the public safety strategy. The MMID currently operates an extensive camera network, including conventional CCTV and licence-plate-recognition capability. There is currently 143 cameras operational in the MMID district. During the term, the MMID intends to maintain, upgrade and, where justified, strategically expand camera coverage, particularly at district boundaries, access routes and identified risk areas.

The MMID will continue working with SAPS Milnerton, City Law Enforcement, Traffic Services, Metro Police, Fire and Rescue, Disaster Risk Management, private security companies and relevant City departments.

10. Areas Where the Public Safety Services will be carried out

Public safety services will cover the entire MMID. Patrols will continue across the operational sectors, while CCTV, Law Enforcement and other targeted interventions may focus more heavily on crime hotspots, traffic concerns, illegal dumping, infrastructure risks or boundary areas when required. Deployment will therefore change from time to time according to what is happening on the ground.

Total Estimated Costs

11. The cost of the proposed public safety service during the five-year term is summarized below.

Description	Year 1	Year 2	Year 3	Year 4	Year 5	Total Expenditure
Law Enforcement	R364 480	R393 640	R425 135	R459 145	R491 286	R2 133 686
Public Safety	R3 470 000	R3 812 553	R4 208 560	R4 504 346	R4 744 919	R20 740 378
CCTV Monitoring	R940 000	R1 015 200	R1 096 420	R1 184 135	R1 278 865	R5 514 620
CCTV/LPPR Cameras	R1 075 000	R1 075 000	R75 000	R75 000	R75 000	R2 375 000
TOTAL	R5 849 480	R6296 393	R5 805 115	R6 222 626	R6 590 070	R30 763 684

12. Allocation of Resources

The MMID's public safety resources are there to serve the district as a whole. Where there are recurring incidents, higher crime levels, by-law infringements, illegal dumping, traffic risks or vulnerable infrastructure, additional patrol, CCTV or Law Enforcement attention may be directed to those areas while normal coverage continues across the district.

13. **Alignment with the City's IDP and with Section 22(4) of the Municipal Property Rates Act**

The MMID's public safety programme provides supplementary and enhanced services within the defined CID area and aligns with the City's Safety priority. Vehicle patrols, dedicated Law Enforcement support, CCTV surveillance, safety technology, information sharing and multi-agency partnerships support Objective 5 (Effective law enforcement to make communities safer) and Objective 6 (Strengthen partnerships for safer communities), as reflected in the City's prescribed alignment table below.

IMPROVING PUBLIC SAFETY			
CID PROGRAMMES	IDP PRIORITIES / FOUNDATION	IDP OBJECTIVES	IDP PROGRAMMES
Public Safety	TOP TIER PRIORITY: SAFETY	OBJ 5: Effective law enforcement to make communities safer	5.1 Enhanced policing programme
			5.2 Safety technology programme
Public Safety	TOP TIER PRIORITY: SAFETY	OBJ 6: Strengthen partnerships for safer communities	6.1 Partnerships for community safety programme
			6.2 Holistic crime prevention programme

(ii) Maintenance and Cleansing

14. The Maintenance and Cleansing Plan

The MMID will continue providing supplementary cleansing services throughout the district through its in-house six-person Cleaning Team, which includes the driver/supervisor. The team works to a planned schedule across the area but can be redirected when an urgent or ad hoc clean-up is needed.

Work includes sweeping and litter collection along roads and sidewalks, cleaning verges and public spaces, dealing with smaller illegal-dumping incidents where appropriate, attending to litter hotspots, weed control where applicable and assisting with special clean-up projects. Larger dumping incidents or matters that fall under a municipal service will be reported to the relevant City department.

The MMID will also continue reporting and following up on infrastructure problems such as damaged roads and sidewalks, blocked or damaged stormwater infrastructure, missing covers, faulty streetlights and road-marking defects.

15. Areas Where the Maintenance and Cleansing Services will be carried out

Routine cleaning will take place throughout the MMID. Extra attention may be given to busy routes, entrances to the area, public transport points and recurring litter or illegal-dumping hotspots. The schedule can be adjusted when circumstances require it.

16. Total Estimated Costs

The cost of the proposed maintenance and cleaning services during the five-year term is summarised below.

Description	Year 1	Year 2	Year 3	Year 4	Year 5	Total expenditure
Urban Maintenance	R50 000	R50 000	R50 000	R50 000	R50 000	R250 000
Cleansing	R235 000	R251 450	R269 055	R287 890	R305 165	R1 348 560
TOTAL	R285 000	R301 450	R319 055	R337 890	R355 165	R1 598 560

17. Allocation of Resources

The aim is to maintain a reliable cleaning service across the whole district. At times, the team may spend more time in areas with heavy pedestrian activity, recurring illegal dumping, larger amounts of litter, public transport activity or specific environmental concerns. This allows the MMID to deal with problem areas without losing the day-to-day cleaning service elsewhere.

18. A**lignment with the City's IDP and with Section 22(4) of the Municipal Property Rates Act**

The Maintenance and Cleansing programme supplements City services and supports the City's Basic Services and Public Space, Environment and Amenities priorities, including well-managed infrastructure, waste-service delivery,

waste minimisation and recycling, cleanliness and the prevention of illegal dumping. It also supports safer, better-maintained roads and public spaces.

Relevant IDP alignments are summarised below.

MAINTENACE AND CLEANSING			
CID PROGRAMMES	IDP PRIORITIES / FOUNDATION	IDP OBJECTIVES	IDP PROGRAMMES
Maintenance and Cleansing	TOP TIER PRIORITY: BASIC SERVICES	OBJ 4: Well-managed and modernized infrastructure to support economic growth	4.6 Waste minimization and recycling: 4.7 Promoting cleanliness and addressing illegal dumping
Maintenance and Cleansing	SECONDARY TIER PRIORITY: PUBLIC SPACE, ENVIRONMENT AND AMENITIES	OBJ 11: Quality and safe parks and recreation facilities supported by community partnerships	11.1 Quality facilities: 11.2 Partnerships for quality public spaces
Maintenance and Cleansing	SECONDARY TIER PRIORITY: TRANSPORT	OBJ 13: Safe and quality roads for pedestrians, cyclists and vehicles.	13.1 Road safety and maintenance

(iii) Environmental Development

19. The Environmental Development Plan

The MMID will continue maintaining and improving the public environment through its six-person Environmental Management Team, which includes the driver/supervisor. The team looks after MMID gardens, landscaped areas,

verges and other public-space improvements.

Their work may include weeding, edging, pruning, grass and verge maintenance, planting, maintaining existing gardens, trimming trees and bushes, removing invasive or unwanted vegetation where permitted, and general upkeep of landscaped public areas.

During the 2027-2032 term, further public-space improvements may be considered where there is a clear need and the necessary approvals can be obtained. These could include work at major entrances, new or upgraded landscaping, completion of existing garden projects, suitable sidewalk or verge improvements, and fencing or protective infrastructure where appropriate. These are examples only and do not commit the MMID to a specific project before the required technical, statutory, budget and City approvals are in place.

20. Areas Where Environmental Development will be carried out

Environmental projects will not necessarily be spread evenly across the district in the same way as routine cleaning. Funding and resources will be directed to areas where work is most needed and where it will have the greatest practical benefit. Condition, visibility, maintenance needs, feasibility, land ownership and City approvals will all be taken into account. Maintaining improvements already funded by the MMID will remain a priority.

21. Total Estimated Costs

The cost of the proposed maintenance and cleaning safety services during the five-year term is summarised below.

Description	Year 1	Year 2	Year 3	Year 4	Year 5	Total expenditure
Environmental Development	R355 000	R379 850	R406 440	R434 890	R460 985	R2 037 165
TOTAL	R355 000	R379 850	R406 440	R434 890	R460 985	R2 037 165

22. Allocation of Resources

Unlike routine cleansing, environmental enhancement projects are not necessarily uniform across the district. Resources will be allocated according to condition, visibility, public benefit, maintenance requirements, feasibility,

land ownership, technical considerations and the approvals of the relevant City departments. Ongoing maintenance of existing MMID-funded improvements will remain an important priority.

23. Alignment with the City's IDP with Section 22(4) of the Municipal Property Rates Act

The Environmental Development programme aligns with the City's objectives for well-managed infrastructure, a healthy and sustainable environment, quality public spaces and safe roads. Greening, landscaping, verge maintenance, public-realm improvements and responsible management of public spaces complement municipal services and contribute to an attractive and sustainable economic area. Relevant IDP alignments are demonstrated below.

ENVIRONMENTAL DEVELOPMENT			
CID PROGRAMMES	IDP PRIORITIES / FOUNDATION	IDP OBJECTIVES	IDP PROGRAMMES
Environmental Development	SECONDARY TIER PRIORITY: PUBLIC SPACE, ENVIRONMENT AND AMENITIES	OBJ 9: Healthy and sustainable environment	9.1 Environmental and Biodiversity management Programme
Environmental Development	SECONDARY TIER PRIORITY: PUBLIC SPACE, ENVIRONMENT AND AMENITIES	OBJ 10: clean and healthy waterways and beaches	10.1 Healthy urban waterways programme
Environmental Development	SECONDARY TIER PRIORITY: PUBLIC SPACE, ENVIRONMENT AND AMENITIES	OBJ 11: Quality and Safe parks and recreation facilities supported by community partnerships	11.2 Partnerships for quality public spaces programme

(iv) Promotion of Social and Economic Development

24. Social and Economic Development Plan

The MMID will continue supporting social-development initiatives that are relevant to the area and fall within the CID's mandate. Current initiatives include support for local soup kitchens, Janet's Junction after-school activities, children's sporting initiatives, Mandela Day projects and Community Medics.

Where vulnerable people in the district need assistance, the MMID will continue working with the City and suitable organisations to refer them to the appropriate services. The focus will be on practical support and sustainable interventions rather than creating dependency.

Economic development is supported through the everyday work of the MMID. By helping to keep the area safer, cleaner and well maintained, the MMID creates a better environment for businesses to operate in, protects investment and helps attract and retain economic activity. Where possible, the MMID may also support local job and income opportunities through approved projects and service-delivery initiatives.

25. Areas Where Social Development will be carried out

Social-development support will be directed to suitable beneficiaries and partner organisations serving the MMID and surrounding community. The wider economic benefit of the MMID's services and improvements is intended to support the district as a whole.

26. Total Estimated Costs

The cost of the proposed Social and Economic Development services during the five-year term is summarised below.

Description	Year 1	Year 2	Year 3	Year 4	Year 5	Total expenditure
Social and Economic Development	R213 750	R224 440	R235 660	R247 447	R259 818	R1 181 115
TOTAL	R213 750	R224 440	R235 660	R247 447	R259 818	R1 181 115

27. Allocation of Resources

Social-development funding will be used for initiatives that are practical, accountable and relevant to the area. The type and level of support may change from year to year depending on need, the capacity of partner organisations and the available budget. The MMID's main contribution to economic development remains the day-to-day work of keeping the district safe, clean and well managed.

28. **Alignment with the City's IDP with Section 22(4) of the Municipal Property Rates Act.**

The MMID's social and economic development approach supports the City's objectives relating to social inclusion and well-being, partnerships and economic growth. The programme complements, rather than duplicates,

municipal and social-service functions and seeks to strengthen local partnerships and the resilience of the business environment. Relevant IDP alignments are demonstrated below.

SOCIAL AND ECONOMIC DEVELOPMENT			
CID PROGRAMMES	IDP PRIORITIES / FOUNDATION	IDP OBJECTIVES	IDP PROGRAMMES
Social Development	FOUNDATION: A MORE SPATIALLY INTEGRATED AND INCLUSIVE CITY	OBJ 15: A more spatially integrated and inclusive city.	15.1 Spatial integration and transformation programme 15.2 Social inclusion and well-being programme

(v) Communication and Marketing

29. Communication and Marketing Plan

The MMID will continue communicating regularly with property owners, businesses, members and other stakeholders. This will be done in-house through the MMID website, newsletters and reports, email, stakeholder WhatsApp groups, social media, direct engagement with businesses, and the notices and meetings required in terms of the CID framework.

Communication also forms part of day-to-day service delivery. The MMID will continue sharing relevant safety alerts, City notices, road and infrastructure information and other updates that affect businesses in the area.

Projects, achievements, governance information and opportunities for stakeholder participation will also be communicated.

Marketing will focus mainly on strengthening awareness of the MMID, explaining the services it provides and keeping businesses and property owners engaged with the work taking place in the district.

30. Total Estimated Costs

The cost of the proposed communication and marketing services during the five-year term is summarised below.

Description	Year 1	Year 2	Year 3	Year 4	Year 5	Total expenditure
Advertising	R12 500	R8 250	R9 075	R9 985	R10 985	R50 795
Marketing and promotions	R70 000	R73 000	R76 150	R79 460	R82 930	R381 540
TOTAL	R82 500	R81 250	R85 225	R89 445	R93 915	R432 335

31. Allocation of Resources

Communication services will cover the district as a whole. Where necessary, individual messages or campaigns may be aimed at a particular issue, project, sector or group of stakeholders.

c) FINANCIAL IMPACT OF THE MMID

32. Budget

The MMID is funded through an additional rate levied by the City of Cape Town on the applicable category or categories of rateable property within the approved CID boundary.

Below is the summarised version of the Budget for each year of the Business Plan:

YEAR	TOTAL EXPENDITURE	REVENUE (Funding Source: Additional Rates)	REVENUE (Other Funding Source Accumulated Surplus)	% INCREASE IN ADDITIONAL RATES REQUIREMENT
1	R12 846 270	R11 716 270	R1 130 000	8%
2	R13 549 245	R12 419 245	R1 130 000	6%
3	R13 314 400	R13 164 400	R150 000	6%
4	R14 104 265	R13 954 265	R150 000	6%
5	R14 941 520	R14 791 520	R150 000	6%

In line with the City`s CID By-law, the Management Body is required to prepare a proposed annual budget for each successive financial year by the date and in the format required by the Executive Director based on the specific needs of the area as set out in the Business Plan. The budget is funded by an additional property rate levied on the municipal valuation of all properties within the CID boundary. The budget and additional rates' are approved by the Council with the City's budget and is applicable over a financial year, which starts 1 July.

33. Additional Rate

The additional property rate is calculated by the City annually during the City`s budget process. The additional rate is expressed as a Rand-in-the-rand and is calculated by dividing the budget total with the total municipal valuation of properties in the CID.

The impact on individual property owners in the outer years of the CID term may vary due to valuation fluctuations caused by successful valuation objections, subdivisions, new developments, court amendments, implementation of a new General Valuation Roll or Supplementary Valuation roll causing the CID budget to be spread over an increased or reduced total municipal valuation base.

The additional rate may also increase or decrease during the five-year term depending on the approved annual and term budgets, inflationary pressures, service-provider and employee costs, approved projects, growth or development in the district and other relevant financial considerations.

Property owners who receive a full or partial rates rebate will not pay additional rates.

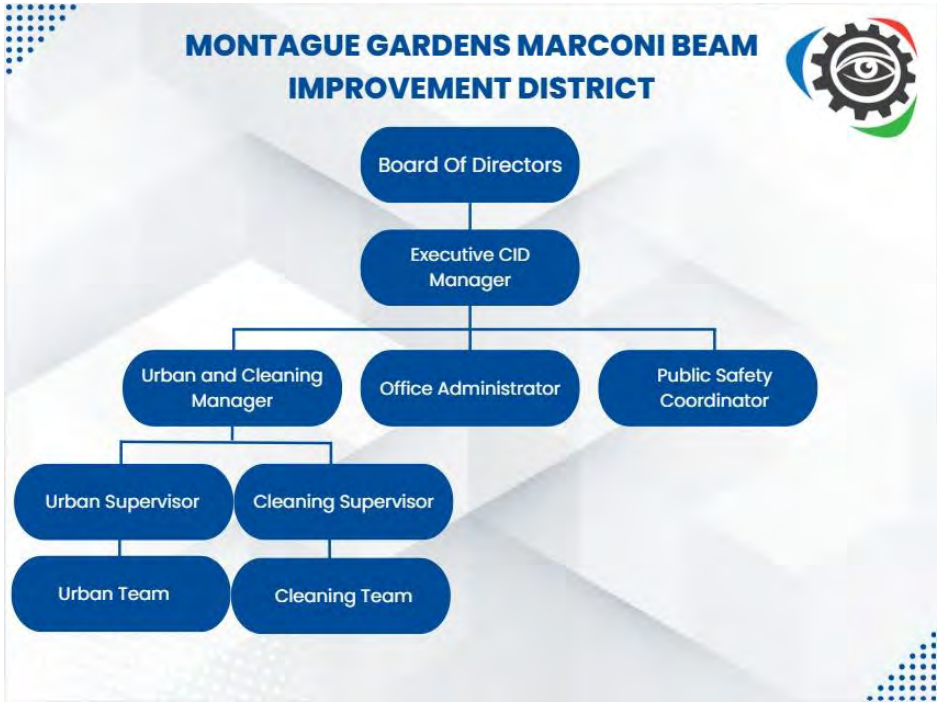
Individual contributions for residential and non-residential properties can be calculated as follows:

1. Municipal valuation x R 0.XXXXXX = Annual contribution (VAT excl.) – Note: R 0.XXXXXX represents the approved CID additional property rate.
2. Annual contribution (VAT excl.) ÷ 12 = Average monthly contribution (VAT excl.)
3. Average monthly contribution (VAT excl.) x 1.15 = Average monthly contribution (VAT incl.)

d) PROPOSED MANAGEMENT STRUCTURE

34. Management Structure

The Montague Gardens Marconi Beam Improvement District NPC is the management body responsible for implementing the approved Business Plan. The NPC is governed in accordance with the Companies Act, its Memorandum of Incorporation, the City Improvement District By-law and Policy, and other applicable legislation and City requirements. The Board of Directors provides governance and oversight, while day-to-day implementation is managed by the Executive CID Manager and the MMID management team. Employees and service providers are appointed or contracted as necessary to deliver the approved services and projects.



35. Governance

The governance arrangements of the MMID are summarised below:

35.1 Membership of the MMID NPC is open to qualifying property owners within the CID boundary in accordance with the Company's Memorandum of Incorporation and applicable CID requirements. Membership is not automatic and property owners must apply. Members may attend, participate and vote at members' meetings in accordance with the Companies Act and the Company's governance documents.

35.2 The MMID is governed by a Board of Directors elected in accordance with the Company's Memorandum of Incorporation and applicable legislation. Directors are drawn from the CID stakeholder base and provide oversight of governance, finance, strategy and service delivery. The Board meets regularly to review performance and implementation of the Business Plan.

35.3 The MMID will continue to promote stakeholder participation through statutory meetings, published notices, its website, direct communication and other engagement channels. Members of the local community and non-member property owners may attend and participate in meetings as permitted by the applicable governance framework, although voting rights remain subject to membership requirements. Relevant agendas, notices, reports and minutes will be made available in accordance with the CID By-law, Policy and Companies Act requirements.

35.4 The MMID will comply with the City's financial, governance and performance-reporting requirements. This includes preparation and submission of budgets and reports, annual financial statements, independent audit requirements, statutory company compliance, performance monitoring, and provision of information required by the City's CID Branch. The Board and Executive CID Manager will maintain appropriate internal oversight of expenditure, service delivery and implementation of the approved Business Plan.

e) PERMISSIBLE AMENDMENTS TO THE BUSINESS PLAN WITHOUT FURTHER CONCENT

If a determination is made to affect a material alteration to the geographical boundaries of the CID, such alteration shall be implemented in accordance with the formal process in Section 26 of the CID By-law. If an amendment to the geographical boundaries of a CID is deemed non-material and does not alter the terms of liability, increase the total budget the quantum of the additional rate levied or alter the scope or level of services, such amendment shall be undertaken in compliance with Section 25 of the City Improvement District By-law, 2023.

Where additional services or amendment to existing services or strategies are necessitated through collaboration with municipal departments, and such services are not expressly provided for in the motivation report but is deemed as enhanced and/or supplementary municipal services, the business plan may be amended without further consent, provided that the amendment is non-material and the process prescribed under Section 25 of the CID By-Law is duly followed. . For a material amendment relating to services, section 26 of the CID Policy will become applicable.

f) LIST OF ALL RATEABLE PROPERTIES WITHIN THE MMID

A list of all rateable properties within the MMID is attached as Annexure A.

MMID
Montague Gardens-Marconi Beam Improvement District

MONTAGUE GARDENS MARCONI BEAM IMPROVEMENT DISTRICT (MMID)

5 YEAR IMPLEMENTATION PLAN

1st July 2027 to 30th June 2032

MANAGEMENT AND OPERATIONS
